

ELEMENTARY CURRICULUM

The Academy of Moore County focuses on the North Carolina Standard Course of Study (www.learnnc.org/scos). A balanced literacy framework incorporates a variety of strategies designed to motivate students and enhance achievement at every grade level. You will find that our school is child-centered and that our teachers, administrators, and staff are committed to meeting the needs of our students-cognitively, physically, and emotionally.

Parents play a key role in ensuring student success. The following are ways you can help your child be successful in school.

Reading

- Encourage your child to read every day.
- Give your child books and magazines of interest as gifts.
- Encourage your child to read a variety of books and magazines.
- Discuss topics that interest your child.
- Talk with your child about what he / she reads.

Math

- Have your child explain his / her math to you.
- Demonstrate how you use math.

Writing

- Encourage your child to write thank you notes.
- Help your child find a pen pal that he / she can write to.
- Encourage your child to keep a journal of their daily activities.
- Encourage your child to use the computer at home or at the public library to send emails to friends.
